## REACH Regulation EC no. 1907/2006

### SVHC Declaration

Kramer Italia Srl declare that in their articles the chemical substances listed in the Attachment XIV of the REACH Regulation no. 1907/2006 published on 27/06/2018 exceed 0.1% w/w; in particular:

Name	Revision	Danger	Notes
Lead (Pb)	Included in SVHC (revised on 27 <sup>th</sup> June 2018)	 Toxic for reproduction Category 1A H360FD – May damage fertility. Suspected of damaging the unborn child. H362 – May cause harm to breast-fed children	Including lead in the SVHC list does not imply that the conditions of use have changed

The products manufactured by Kramer Italia Srl are referred to as “ARTICLES” within the REACH Regulation according to Art. 3(3) and no safety data sheets are required according to Art. 33 of the aforesaid regulation.
